

**PARISH OF ST PETER PORT**

**INFORMATION NOTICE**

Since 1 January 2009 the Occupiers Rate has been replaced by an Owner Rate aligned to the TRP values of the property. In accordance with The Parochial Taxation (Guernsey) (Amendment) Law, 2008 liability for the account now rests solely with the Owner. The Law does, however, allow for an owner to recover the rate from their tenant if appropriate. Below is a list of approved ratios of charge.
